## MEETING GIRLS WHERE THEY ARE - VIRTUALLY

The 2019-2020 fiscal year began with expansion plans, and ended with re-imagining our services to continue empowering girls despite a pandemic. Ophelia's Place spent an unprecedented year striving toward its overall goal - to empower, educate, and support girls to make healthy life choices.

### IMPACTS

With the amazing support of donors, community members, the board of directors and staff, Ophelia's Place:

- Reworked its in-person programming into tele-therapy, Zoom-based girl Community Groups and workshops, virtual and pre-recorded classroom presentations, and online resources for parents and educators.
- Re-imagined its fundraising efforts with a virtual version of the Ophelia's Gems fundraiser, new fundraising opportunities like Virtual Bingo, and its new monthly giving program called the OP Society.
- Learned it can empower girls wherever and however they need it.

**“(During COVID-19) the social side of things has been a big concern throughout all of it because (my daughter) is very social, so I knew that to keep her happy, I needed to get some sort of outlet in there so she can keep talking to people.”**

**– Kara, an OP Mom**
